## 8) Research / Recherches

Canadian literature, culture, language, history, ethnic groups, politics, economy, social policy, foreign relations, North Pole region and city space, etc.

## 9) What has been cut from your association activities since 2012/ Quelles activités ont été coupées depuis 2012?

Since the termination of UCP, the number of conferences or seminars, Canadian academics invited to visit the CSCs, members sent to visit Canada was greatly cut down, and most CSCs have no fund to purchase Canadian books and publish their research results, or hold contests on Canadian culture and knowledge.

Our website was closed and the CSCs have no other way to acquire the information on Canadian studies than through receiving E-newsletter.

## 10) Up-coming activities & events / Activités & événements à venir

On May 9, 2015 the ACSC will hold its 16<sup>th</sup> Biennial Conference in Shanghai University of International Studies, which provides some financial assistance.

We are planning to re-open the website by finding financial resources from some university.
